Flow Studies Vol. 1 (Cichowicz) He taught me that staccato tonguing can be an aural illusion. Do not stop in the middle, and hold the last note long, at least double what is written. Each cicnowicz adds one beat of sixteenths to the pattern. Use this as an easy reminder to not let valves change how we feed air into the trumpet.

The flow studies contained in this book were a staple of Mr. Cichowicz’s teaching. Each lesson he would start with the Long Tone Studies and use them to expand the effortless middle G up and down the register. Once this goal had been achieved, he would move on to the second study from H.L. Clarke’s Technical Studies for Trumpet.
