Deontology means ethics based on the duty regardless of the outcome. Laws in nursing practice. Law is a set of regulations imposed by government or a body of officials to control or normalise people ' s behaviour. There 4 types of law, common law, constitutional law, legislation, human rights law and EU law.

Theories and Principles of Ethics and Law in Healthcare ...
The third edition of Ethics and Law for Australian Nurses develops an innovative practical framework for understanding the ethical and legal dimensions of nursing practice in Australia. Taking a 'relational' approach to practice, the text foregrounds the concepts of personhood, vulnerability and the nurse-patient relationship as the source of a nurse's moral and legal obligations.
