Why Do Smart People Make Such Stupid Mistakes?: A ...

There are two ways of looking at it. The first is that smart people tend to hold higher offices in an organization and are therefore in a position to make important decisions, which are magnified within the organization. When a CEO makes a bad decision, everyone in the organization knows about it. The second way of looking at the question involves considering how organizations search for answers to business problems.

Why Smart People Make Stupid Decisions

Intelligence has been a prized human trait for a long time. When we think of smart people, we know that they typically earn more money, attend school for longer, and have an easier time managing all of the troubles we face in life. They seem to have more common sense and see things that will happen over the long term.
